**Re: Albert Patterson v. TVN Entertainment Corporation, et al.
Case No. 04-C-0192 (E.D. Wis.)**

Dear Judge Callahan:

This letter is to confirm the telephone call of earlier this afternoon between your clerk, Douglas Donnell, and Charles Boutwell. Specifically, this letter is to confirm that the parties have reached an agreement in principle to settle the above-referenced action. Accordingly, the parties request that the telephone conference scheduled for 9:00 a.m. tomorrow, September 8, 2005, be removed from the calendar. The parties anticipate that they will be in a position to file a formal stipulation and order for the dismissal of this action within the next 30 days.

Thank you for your attention to the foregoing.

Respectfully submitted,

Andrew A. Jones
